IDEA-KEY ATTRIBUTES

TRANSITIONAL DESIGN WITH EXTREME COMFORT FOR THE DECERNING CUSTOMER

- **Elegant Simple Design** with compelling visual dynamics will remain current for a lifetime.
- **Surround Foam Patented System** adds to your comfort, prevents fabric marks, prevents foam deterioration and keeps a cool temperature for long lasting use. **FOR FULLY UPHOLSTERED OUTER BACKS AND/OR UNDER SEATS**
- **Patented Seat & Back Tubular Steel & Mesh Construction** maintains shape, increases durability and comfort to your seat and back. Backs have standard lumbar support. The seat construction will support up to **600 lbs.** on the front edge of the seat and up to **1700 lbs.** across the middle of the seat. **FOR WOOD PANEL OUTER BACKS AND/OR UNDER SEATS**
- **Hardwood Plywood Back & Seat Foundations** supports the hi-density cold-molded foam to maintain comfort, alignment and appearance over time and use. Backs have standard lumbar support. The seat construction will support up to **600 lbs.** on the front edge of the seat and up to **1700 lbs.** across the middle of the seat.
- **Patented Seat & Back Drop-in Assembly** makes installation and service needs extremely simple while increasing efficiency thus saving time and money.
- **Patented Fully Enclosed Silent Seat Gravity Lift System** does not require any maintenance and will operate perfectly as long as there is gravity to help, insuring the seat will always return to a consistent position without finger or clothing entrapments. Available with **90 or 45 degrees** stops.
- **Removable Slip Cover Upholstery** allows for quick change should fabric become soiled or outlives its useful life span without fabric puddling.
- **Patented Accordion System** allows you to increase the width of seats up to **2 1/2"** thus making installations simple on straight, radius or reverse radius row configurations, allowing perfect alignment of aisle panels and reducing amount of attic stock needed.
- **Series Seating manufactures in house all product components** including foam, engineered wood, steel, and upholstery saving cost and improving quality control on all products.
